### **BAKED FIGS WITH CHEESE AND HAM**

Here's a very simple but versatile recipe. It can be served as an appetiser or light dish if served with a side plate of mixed green salad seasoned with oil and salt.

***Ingredients (Serves two):***

*6 large fresh figs*

*6 slices of fresh goat's cheese*

*3 slices of Parma ham cut in half lengthwise*

*Freshly ground black pepper*

*2 teaspoons of acacia honey*

\*\*\*

Heat the oven to 200°C.

Make a cross-shaped cut on each fig. Place a slice of fresh goat's cheese in the middle of each one. Sprinkle with freshly ground black pepper.

Wrap each fig in a half slice of Parma ham. Bake for 5 minutes.

Serve hot, with a drizzle of honey on top.
