Dear brothers and sisters,

May the Lord grant you peace!

Many months have now passed since the beginning of this terrible war. The suffering caused by this conflict and the dismay at what is happening are not only unabated, but seem to be fueled again and again by hatred, resentment and contempt, which only intensify the violence and push away the possibility of finding solutions.

Indeed, it is becoming increasingly difficult to envision a conclusion to this conflict, whose impact on the lives of our people is greater and more painful than ever before. It is becoming increasingly difficult to find people and institutions with whom a dialog about the future and peaceful relations is possible. We all seem to be crushed by this present, which is characterized by so much violence and, admittedly, anger.

However, these days seem to be important to be able to turn the tide of the conflict, and among them especially August 15, which for us is the day of the Solemnity of the Assumption of the Virgin Mary into Heaven.

On this day, before or after the celebration of the Eucharist or at another suitable time, I invite everyone to a moment of intercession for peace to the Blessed Virgin Mary. I hope that the parishes, the contemplative and apostolic religious communities and even the few pilgrims who are among us will unite in the common desire for peace that we entrust to the Blessed Virgin.

After having spent so many words and after having done what we can to help and be close to everyone, especially those who are most affected, all that remains is for us to pray. In view of the many words of hatred that are all too often spoken, we would like to offer our prayer, which consists of words of reconciliation and peace.

Enclosed you will find a prayer to Our Lady of the Assumption that you can say on the day of this Solemnity.

Let us pray that in this long night that we are living through, the intercession of the most holy Mary will open a glimpse of light for all of us and for the whole world.

Wishing you all the best in Christ,
