

THE RECIPE

## Lekach (ancient Israeli honey cake)

CULTURE

## Ingredients

425g flour 100g brown sugar 1 tablespoon baking powder 1 teaspoon baking soda 1 teaspoon cinnamon 60g chopped walnuts 300g honey 100ml strong coffee (lukewarm) 4 eggs 60ml vegetable oil

## Preparation

Butter (or, alternatively, line with baking paper) a rectangular cake tin (or a high-sided baking tray).

In a large bowl, combine the flour, sugar, baking powder, baking soda and cinnamon. Incorporate the chopped nuts.

Dissolve the honey in the lukewarm coffee. Beat the eggs in a bowl with the vegetable oil and add the coffee and honey mixture. Add the mixture to the flour blend and mix well. Pour the resulting mixture into the mould and bake in a fan-assisted oven preheated to 180°C for about 35 minutes.

Let the cake cool and cut it into slices or squares.
